

2010 Awards of Excellence

Sponsorship Opportunities

The ContactNB Awards of Excellence are designed to celebrate excellence and foster pride in the industry through recognition of the many achievements of organizations and our employees.

The ContactNB Awards of Excellence do more than recognize excellent practices within the industry, they show the tremendous contribution of our member companies and their employees to their local and provincial communities. ContactNB member organizations continue to set the standards for excellence within this province's contact centre industry. Creation of healthy environments for employee development through training and growth have been key to past award recipients.

Whether you are one of our member contact centres or a vendor or supplier to the contact centre industry, you can show your support for this gala event through a number of levels of sponsorship.
